CREATIVE  
MINDS!**

TINKERTOPIA, LLC. WORKS WITH LOCAL BUSINESSES, CAPTURING SAFE, REUSABLE MATERIALS FROM THE WASTE STREAM, AND REIMAGINES THESE AS UNUSUAL ARTS AND CRAFT SUPPLIES FOR KIDS, TEACHERS, MAKERS AND TINKERERS.

HEY KIDS! As a local industry we are seeking to partner with you by salvaging any safe "throw-aways" you may have (full list of examples here

<http://tinkertopia.com/#materials>

We help you by hauling away "junk" and you help us with supplying materials to empower creative minds.

We'll even promote your business as one of our

## FRIENDS OF THE CREATIVE REUSE STRATEGIC TREASURE SAVING ALLIANCE.

Founded by two Tacoma artists (one a preschool art teacher, the other a political cartoonist), Tinkertopia promotes a definitive sense of planetary resource conservation working with local industries to divert safe+clean remnants, seconds, scraps, off-cuts, discards, misprints and overstock from the waste stream, then redistributing these goods as low-cost arts & crafts supplies. One person's junk is another person's bonanza of materials for early education art classes, learning games, science experiments, crafts, costuming, and other expressions of creativity.

Tinkertopia has been awarded special Creative Endeavor status under Spaceworks Tacoma, a joint non-profit of the City of Tacoma Arts Commission and the Tacoma-Pierce County Chamber of Commerce. Spaceworks is working to activate Tacoma with destination-quality artwork, art projects, and arts-based business.

# SCRAP PICKER UPPERS

To schedule a pickup with the Tinkermobile, call (253) 778-6539;

email [rerun@tinkertopia.com](mailto:rerun@tinkertopia.com)

or tweet our cartoon mascot

@RerunTinkerCrab and we'll swing by to haul away whatever you have.
